Then Stop Harassing Women !!!

Women's Turn-Off's

- Any kind of street harassment, anytime, anywhere !
- Crude remarks by strange men !
- Hearing men rate our bodies like, "nice ass" !
- Being groped or rubbed up against !

Women feel only *Hatred* for the weak, stupid men who treat us this way ! ***We won't take it anymore !***

Women's Turn-On's

- Being treated with respect !
- Being treated as equals!

And remember guys, ***NO means NO !!!***
